Dear Mr. Sallins,

Thank you for taking the time to talk with our children here at Duggan Middle School as part of our Black History Celebration "Yes I Can" on February 24, 2009.

Guest speakers play an important role in inspiring our young people. I'm sure the children really appreciated you sharing your experiences, your talent and your words of wisdom. Children are able to see themselves in a new light because of people like you, who believe in giving back. I know that your presence today has made a difference in encouraging someone's dream. Due to your kindness and support our children can continue to believe "Yes I Can".

Thank you again for your cooperation. I look forward to working together with you in the future.

Sincerely,

Jacqueline J. Carter  
Parent Facilitator,
